Re: District Scout Executive
Robert Hohl

Dear Mr. Cameron:

As you requested and as a follow-up on our telephone conversation of Tuesday, April 5, 1966, I submit the following facts in reference to Robert Hohl.

On the above date a Job Corps Trainee, [REDACTED], came to me with a personal problem. [REDACTED] was raised in a Children's Home. At age 13 he was placed with Mr. Hohl on a [REDACTED] arrangement. [REDACTED] reports that he slept with Mr. Hohl and that Mr. Hohl did handle him, hug and kiss him, made anal entry and did engage [REDACTED] in mutual masturbation.

Mr. Hohl was, at that time, a District Scout Executive in Albany, New York.

[REDACTED] went into placement in the Children's Home at the age of one year and remained under institutional care until he was sixteen. The only real show of love and affection he received was from Mr. Hohl during this short foster home placement.

[REDACTED] is now a very disturbed young man and feels guilt over the fact that he enjoyed the relationship with Mr. Hohl. [REDACTED] is expressing a fear that he, himself may develop homosexual desires. His only interests are in male activities and he has no desire to date, dance or associate with girls.

[REDACTED] has always lived in a protected environment, and has always mixed with males in a dormitory type of setting.

Mr. Hohl was his only escape from an institutional environment.

█████ feels that he has been started on something he can not control. He has no desire to engage in homosexual acts but does masturbate more than he feels he should.

It is my personal feeling that Mr. Hohl has done great personal harm to █████ and that record should be made of this information.

Sincerely,

ROBERT R. POMEROY
Director of Explorer Scouting
Kilmer Job Corps Center
